RE: Project No. 40225 - Compliance Proceeding to Implement Comprehensive Reform
and Modernization of the USF's Lifeline Program Pursuant to FCC Order 12-11

Dear Ms. Lowrey:

On behalf of WESTEX Telecom (WESTEX or the Company), attached are proposed revisions to the Lifeline Program and Link Up Program sections of the Company's Telecommunications Tariff to comply with the Federal Communications Commission's (FCC's) Order 12-11.¹

The revisions eliminate the Link Up Program to conform with the removal of 47 C.F.R. 54.411, modify the definition of services designated for support in compliance with 47 C.F.R. 54.101(a); and modify the description of the monthly federal discounts to reference 47 C.F.R. 54.403. WESTEX respectfully requests an April 2, 2012 effective date in compliance with the FCC's above-referenced Order as published in the *Federal Register* on March 2, 2012. The list of programs that determine a customer's eligibility to participate in the Lifeline program has also been revised effective June 1, 2012, in compliance with 47 C.F.R. 54.409.

Proposed revisions to the tariffs pages are included as Attachment A.

A copy of the current tariff pages on file with the Commission is also enclosed as Attachment B.

RULES AND REGULATIONS
APPLYING TO ALL CUSTOMERS' CONTRACTS

V. TEXAS UNIVERSAL SERVICE FUND (TUSF) SURCHARGE

1. The purpose of the Texas Universal Service Fund (TUSF) is to implement a competitively neutral mechanism that enables all residents of Texas to obtain basic telecommunications services. Because targeted financial support may be needed in order to provide and price basic telecommunications services in a manner to allow accessibility by consumers, the TUSF will assist local exchange companies (LECs) in providing these services at reasonable rates in high cost rural areas. In addition, the TUSF will reimburse the following entities: qualifying local exchange companies for revenues lost as a result of providing Lifeline Services to qualifying low-income consumers under the Public Utility Regulatory Act; telecommunications carriers providing statewide telecommunications relay service; qualified vendors providing specialized telecommunications device distribution service for the hearing-impaired and speech-impaired; and the Texas Department of Human Services, the Texas Department for the Deaf and Hard of Hearing, the Texas Universal Service Fund administrator, and the Public Utility Commission for the costs incurred in implementing the provisions of the Public Utility Regulatory Act, Chapter 56 (relating to Telecommunications Assistance and the Universal Service Fund.) (D)
2. The TUSF Surcharge is for recovery of the Company's TUSF assessment. The TUSF Surcharge is assessed as a percentage of the retail Customer's intrastate taxable telecommunication service charges, except for Lifeline Services, and applies to all retail Customers. The TUSF assessment is calculated based on actual intrastate taxable telecommunications service receipts. In the case of a bundled offering where the amount attributable to intrastate taxable telecommunications service receipts cannot be accurately determined, 71.5% of the bundle's service charges will be allocated as intrastate telecommunications taxable receipts. (D)
3. The TUSF Surcharge will be identified on the retail Customer's bill as the "Texas Universal Service" and will be assessed on every retail customer's bill, excluding Lifeline services, at the assessment rate reflected in Commission Orders. The TUSF Surcharge assessment percentage may change periodically due to the assessment fund and revenue changes. (D)
